Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §1.56 and §1.97 to inform the United States Patent and Trademark Office ("USPTO") of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to references A01, B01-B11 and C04-C74 listed on the attached form entitled "List of References Cited by Applicant."

Copies of references B01-B11 and C04-C74 are submitted herewith. A copy of reference A01 is not submitted herewith because it is a U.S. patent application publication.
